

# DYSLEXIA DEMYSTIFIED

**SUPPORTING AND EMPOWERING STUDENTS TO REALISE & ACHIEVE THEIR GOALS**

## KNOWLEDGE

Promoting awareness of neurodiversity, dyslexia and learning differences among undiagnosed dyslexics and their peers. Year 12 advice and emphasis on finding your learning style

## STRATEGIES & TECHNOLOGIES

Study strategies and assistive technologies for all learners.  
Discussion around accommodations and future pathways to employment.  
Strategies for leadership, entrepreneurship & success

## INSPIRE

Our lived experiences as dyslexic students, leaders, entrepreneurs, university students and employees, means that we are uniquely placed to engage and inspire a range of students with diverse interests & needs

Each presentation is adapted to the specific needs of the students.  
It is great to include question time to facilitate discussion and engagement. Most presentations run for 45-60 mins and the cost of each presentation is \$350 per group.
